WEEKLY REPUBLICAN—1897.  
DAILY PUBLIC LEDGER—1892.

MAYSVILLE, KY., SATURDAY, JANUARY 30, 1904. ONE COPY—ONE CENT.

**THE STARS.**  
The sun is made of molten gold,  
His rays are flaming bars;  
The moon is liquid silver,  
But how about the stars?  
Why, they are just the pinholes  
In the coverlid of night,  
So if we turned it inside out  
It would be broad daylight.

## POSITIVELY

Copy for "changes" in advertisements **MUST** be sent in before 2 o'clock on the previous day.

If you have an item of news, please call up The Ledger, Telephone 23, and let us have it.

W. F. Schooler remains at Mt. Sterling for February as Storekeeper at the J. H. McBrayer Distillery.

New that the ice has about run out and the river getting back to an ordinary stage what will the river Munchausen do for something to gad about.

The usual services in the Church of the Nativity tomorrow. The public cordially invited. The Bishop of the Diocese will visit this Church Friday night, February 5th.

Mr. Robert Carnahan has accepted a position in the office of the Maysville Foundry and Machine Company as Assistant Bookkeeper. He expects to travel in the spring.

A bill is pending in the Legislature to reduce street car fares to 3 cents in this state, and require street railways to provide separate coaches for colored passengers.

Representative McKnight came down yesterday to interview the boys, and see if he was meeting with their approval and coming up to their expectations as a Legislator.

Mr. S. Straus, the clever, hustling proprietor of the New York Store, spent several days in Cincinnati this week buying goods, and in the meantime having a good time in general.

Miss Ada Hughes, aged 17 years, died yesterday at her home in Ripley, O., after a protracted illness. She is quite well known in this city having been a welcome visitor on several occasions.

Messrs J. H. Rogers & Co. are among the distillers in the Seventh District whose capacities or stocks on hand have been increased so as to advance the rate of pay to Storekeepers from \$3 to \$4 a day.

Doc Wallace in the hurly-burly of his business affairs lost a handsome sparkler from his necktie Wednesday. Anyone finding it will cause a broad smile to assemble on Doc's handsome face and be rewarded besides.

As an inducement, we give a ticket with every \$1 worth of goods purchased. Also, tickets to those who have not paid their accounts—a ticket with every \$1 paid. Only a few days more to secure tickets on the Diamond Ring. MURPHY, the Jeweler.

The farmers are hustling their tobacco to market these propitious days. Yesterday morning eleven large wagons loaded with the weed were strung out along Second street. It was the first real live business appearance the street has had for the past three weeks. It's to be hoped the dull season is about over and that business will return to its normal condition.

You will hardly believe it, but it is vouched for by a man of veracity, who is perfectly sane and knows whereof he speaks. He informed THE LEDGER that there is a married lady residing in the productive and historic Sixth Ward who is the mother of two children, one nearly five years old and the younger about two years, and neither child has ever been weaned from its mother's breast.

The elder child is said to stand up and suck like a calf sucking a cow's teat. Now this is a most remarkable case, one worthy of the attention of the Medical Society, who instead of having Shakespearean papers read at their meetings, would add forcibly to the interest of science by taking up this matter and finding out if there is another parallel case like it in the world.

Yesterday as the Rev. H. T. Musselman was tripping along with a light and happy heart, no doubt wishing all the world as happy as he, forgetful, for the time being at least, of the pitfalls and snares that surround the unwary in this mundane sphere—and particularly the slippery and icy pavement on which he was pedestrianting—just as he was about to enter the Postoffice the uncertainties of this life were forcefully brought to his mind when at this instant his feet flew up and he came to mother earth with a dull thud. It was not a graceful figure he cut, but then the most of us have gone through the same performance this winter the Reverend gentleman experienced, and no doubt more pronounced in our after thoughts than he. Such accidents are frequent and none are exempted.

### What's In a Name?

Everything is in the name when it comes to Witch Hazel Salve. E. C. DeWitt & Co., of Chicago discovered some years ago how to make a salve from Witch Hazel that is a specific for Piles. For blind, bleeding, itching and protruding Piles, eczema, cuts, burns, bruises and all skin diseases DeWitt's Salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. Sold by J. Jas. Wood & Son, Druggists.

### HOYT'S "A BUNCH OF KEYS."

Fun will reign supreme at the Opera-house on Thursday, February 4th, when Gus Bothner's 20th century comedians will present Charles H. Hoyt's "A Bunch of Keys." Everything this season is said to be absolutely new except the name. The songs, dancing, and specialties are all new, bright and sparkling as the rosy morn and Manager Bothner with his little hatchet and grubbing hoe has literally obliterated the "chestnut tree." Bevy of pretty girls, without which no Hoyt play would be complete, are sure to be like a pair of gloves, "on hand," and an enjoyable evening is assured.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

CITY COUNCILS are always striving for the impossible, that of Lexington just passing an ordinance forbidding the pollution of that city's streets.

JUDGE TARVIN, who was brought up among the amateur toughs of Covington, went up against the journeymen of that profession in New York, when he was waylaid and relieved of all his detachable valuables. The Judge had better come home.

WHEN it comes to a "newsy" home paper, Miss ELLEN M. FOSTER of The Higginsport (O.) Hornet has set a pace that but few of the "gentlemen" journalists can follow. It is one of the brightest exchanges that comes to this office, and if the Higginsporters don't give her a generous support they deserve to be banished to Ripley.

ON the whole, the workingman has profited more in the general advance in wages in the leading industries than he has lost in the general advance in the cost of everything he eats, drinks, or wears. There has been a general impression that in actual practice he has been getting by no means the short end of the prevailing prosperity.

THE state of Kentucky is interested to the extent of \$1,433,757.39 in a bill introduced in Congress by Representative VOLSTEAD of Minnesota, to regulate a settlement and provide for a statement of accounts between the United States Government and the separate states relative to the disposition of public lands. Carry the news to Captain CALHOUN.

But you can hardly be skeptical about the merit of Doan's Kidney Pills when you read such emphatic local indorsement as the following:

Mrs. J. B. Gibson of 113 West Fourth street says:  
"The value of Doan's Kidney Pills is quickly made manifest by their use. I obtained them at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and although my experience was not extensive it was because their curative powers were so quickly demonstrated that extended use was unnecessary. The quick relief from backache which was obtained from the use of Doan's Kidney Pills causes me to recommend this valuable medicine whenever opportunity offers."

Robert L. Hoeflich,

NOTWITHSTANDING the mercury registered 54° below zero at Carlisle this week, Judge McNew's Democrat was just as hot as ever.

THE New York Post says opponents of President ROOSEVELT within his own party are growing more vociferous. The Chicago Inter Ocean, a strong Republican paper of the Middle West, admits that President ROOSEVELT is almost certain to lose New York next November, and quite possibly New Jersey and Connecticut, and the Inter Ocean therefore withdraws from "the irreconcilable conflict" between "the Roosevelt Republicans and the McKinley-Hanna Republicans." In short, that paper does not urge the renomination of President ROOSEVELT.

The Sun, the recognized organ of the New York sentiment against ROOSEVELT, came out recently in an editorial ridiculing the idea that failure to support ROOSEVELT's pretensions is treason to the party, and contending that HANNA, ROOT or TAFT may properly be considered in connection with the nomination.

The Sun apparently believes that, as GIBSON didn't understand the difference between himself and the Roman Empire, so Mr. ROOSEVELT fails to comprehend that he is not the whole Republican party, and it makes the significant announcement, "with the Senator's own authority," that Senator HANNA has never pledged himself to any one, "and especially not to Mr. ROOSEVELT," that the Senator "will not be a candidate for the Presidency if at any time he shall see fit."

If the Sun editorial be directly inspired by HANNA the Roosevelt adherents are wise in deciding that the moment has come to make an active campaign for delegates.

## Political Pickings

## REPUBLICAN LAGARDS!

Glasgow Times, Democratic.

While the vote polled in the last November election was the largest ever cast outside a Presidential year, it fell fully 35,000 short of the vote in the Beckham-Yerkes contest. As compared with the vote of three years ago, the Democrats lost nearly 4,000 and the Republicans nearly 27,000. In other words, nearly 27,000 Republicans failed to vote at all in 1903. The Democratic plurality in the state in 1903 is 250 votes less than the falling off from the Republican votes cast for Yerkes in 1900. In other words, had the Democratic vote in 1903 remained as it is, and the Republicans cast the same vote as they did in 1900, Kentucky would have gone Republican by 250 votes. If these figures mean anything at all they mean that Kentucky is not over the dangerous and doubtful line in 1904.

Only three weeks until the Tobacco Fair.

Senator Byron of Bracken at Frankfort yesterday introduced a bill to provide for an appropriation of \$20,000 for the erection of a monument to William Goebel, to be erected on the exact spot where he fell, and after the completion of the new Capitol Building.

## BOARD OF TRADE

Addresses Itself to the Wide-Awake Merchants of Maysville

MAYSVILLE, KY., January 8, 1904.

To the Merchants of Maysville—Dear Sirs: On Saturday, February 20th, 1904, we have our Fifth Annual Tobacco Fair. The four which we have held in the past have proven to be very successful. They have attracted to our city the best element of all the surrounding country and a large representation from some of the principal cities of this state and Ohio. It has not only been a day of social pleasure, but a day which has brought customers to our city who have thronged our stores and gone away laden with goods from our counters. You all say, by no means let the season pass without a Tobacco Fair.

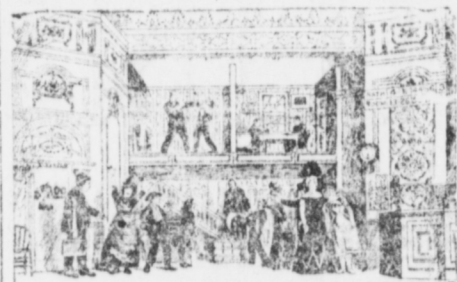

The question arises at this point, how much of a success would the Tobacco Fair be if no one displayed any more energy or interest in its promotion than you are now doing? How many farmers have you spoken to with reference to it? How many posters have you sent out? And yet you expect it to be a success.

The Tobacco Fair is "Our Fair." This appeal is to you to go to work and do your part toward making the Fifth Annual Tobacco Fair the greatest event in the history of Maysville. Plan some novel feature by which to advertise your business. Arrange to give some souvenir of the occasion which may be carried away by the visitors as a pleasant reminder of the event. Send premium lists out in all your letters. Yours, for success,  
JOHN DULLEY,  
President Board of Trade.

B. F. Hare, Supt. Misma Cycle & Mfg. Co. Mid-dletown, O., suffered for ten years with dyspepsia. He spent hundreds of dollars for medicine and with doctors without receiving any permanent benefit. I concluded to try it and while I had no faith in it I felt better after the second dose. After using two bottles I am stronger and better than I have been in years, and I recommend Kodol Dyspepsia Cure to my friends and acquaintances suffering from stomach trouble." Sold by J. Jas. MAYSVILLE, KY., SATURDAY, JANUARY 30, 1904

ONE COPY—ONE CENT.

THE OLD RELIABLE

The State Legislature has appropriated \$1,000,000 for a new Capitol. How much have you donated for the Tobacco Fair?

THE LEDGER acknowledges a receipt of an invitation to the eleventh annual reception and banquet given by Ashland Commandery No. 28, Knights Templar, on Thursday, February 11th, at 8 p. m.

For February, Collector Roberts has assigned Oscar Grigsby, J. S. Wallingford, Preston D. Wells, W. C. Slye and L. M. Gaffin to the H. E. Pogue Distillery; C. T. Asbury to Poyntz Bros.; H. G. Holiday, Frank Harting and L. M. Gaffin to J. H. Rogers & Co.

River News

The river is reported over a mile wide at Owensboro.

If there is not another cold wave in sight there is no doubt but what navigation will be fully resumed by Monday.

The big Pittsburgh coal fleet, which left on the first opportunity with receding flood waters, is progressing well on its Southern journey.

The Fallie, closely followed by the Exporter, Josh Cook and Ed. Roberts passed down yesterday with big tows of coal and manufactured iron.

The Cincinnati and Pittsburgh packet, Queen City, and the excursion steamer, Island Queen, had a narrow escape from destruction by the heavy ice at Cincinnati Wednesday.

The new towboat Winifrede, which was being built above the first lock in the Muskingum river, Captain J. Denver Stout, and which was sunk when that stream ran out, is now out of danger and will be raised immediately.

The gauge at this point this morning marks 35.9, being a fall of nearly 7 feet. Notwithstanding the heavy run of ice the following boats with tows passed down yesterday—Fallie, Exporter, Josh Cook, Ed Roberts, Fred Wilson, Pacific No. 2 and five others during the night.

The first hearing affecting the elevation of bridges is now on in the Engineer's office of the United States at Pittsburgh. The structures to which objections have been raised by the river interests are the B. and O. Railroad bridge at Fairmount, W. Va., the old Brownsville covered bridge at Brownsville, Pa., and others. The railroad interests have asked for more time. The Government contends that the railroad bridges must be elevated at least to forty-six feet.

A WOMAN'S COMPLEXION.  
It is rank foolishness to attempt to remove sallowness or greasiness of the skin by the use of cosmetics, or "local" treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25c; regular size, 75c. At Henry W. Ray's Drugstore.

Rheumatism Cured.

Mr. Michael Doran, Youngstown, Ohio, says:

"I suffered for a long time with acute Rheumatism in my knee. I tried all kinds of remedies, including an expensive course of electric treatment, all in vain. At the suggestion of my druggist I took a bottle of Paracamp. The effect of its use was magical. I got relief at once and after using three or four bottles believe I am permanently cured. It is a wonderful remedy, and upon my advice a number of my friends have tried Paracamp, and the verdict is unanimous that it is all it is claimed to be. I come of my own accord with this statement because Paracamp is a blessing." Sincerely, "MICHAEL DORAN."

Paracamp.

Relieves Instantly Rheumatism, Sore Muscles, Sore Feet and Sore Joints.

Because when applied it opens the pores, allowing the camphor and healing oils to penetrate directly to the seat of the pain and draw out all fever, soreness and inflammation by causing copious sweating. Every bottle is guaranteed to give satisfaction or money refunded. Don't ruin your nervous system with strong internal medicines, but try Paracamp, the application that cures. 25c, 50c, and \$1.00 bottles at all good druggists or by mail.

LA GRIPPE—PNEUMONIA

So many people who have apparently recovered from an attack of La Grippe are stricken with Pneumonia. This is due to the fact that the Bronchial Tubes and Lungs are left weakened and unable to resist disease.

FOLEY'S HONEY AND TAR

not only cures La Grippe Coughs, and prevents Pneumonia, but strengthens the Lungs so they will not be susceptible to the development of serious lung troubles. Do not take chances with some unknown preparation that may contain some harmful drug when FOLEY'S HONEY AND TAR costs you no more and is safe and sure. Contains no opiates.

I had a bad case of La Grippe about ten years ago which left my Lungs so weak that I have been troubled more or less every winter since until I used FOLEY'S HONEY AND TAR, which cured me completely and my Lungs no longer trouble me.—J. H. BROWNING, D.D.S., Orrick, Mo.

G. VACHER, 157 Osgood St., Chicago, says: "My wife had a very severe case of La Grippe, and it left her with a very bad cough. She tried a bottle of FOLEY'S HONEY AND TAR and it gave immediate relief."

The 50c bottles contain two and one-half times as much as the small size and the \$1.00 bottles almost six times as much.

**Dislocated Her Shoulder.**  
Mrs. Johanna Soderholm, of Fergus Falls, Minn., fell and dislocated her shoulder. She had a surgeon get it back in place as soon as possible, but it was quite sore and pained her very much. Her son mentioned that he had seen Chamberlain's Pain Balm advertised for sprains and soreness, and she asked him to buy her a bottle of it, which he did. It quickly relieved her and enabled her to sleep which she had not done for several days. The son was so much pleased with the relief it gave his mother that he has since recommended it to many others. For sale by J. Jas. Wood & Son.

**You Can Be Cured.**  
No. 11 Cedar Terrace, Ellettsburg, Ark., April 23, 1903.  
When I was first married I found that my strength and health were gradually diminishing. I became nervous and irritable, and was in bed a week and sometimes ten days of every month, and had intense bearing down pains. My husband had the best physician for me and I used his medicine for nearly four months, but I gradually grew worse, had less strength, and finally, I was unable to leave my bed at all.  
A friend who was calling on me brought me a bottle of Wine of Cardui and was so loud in its praise that I told her that I would take it to please her.  
I was surprised and pleased that before I had used the bottle I really felt better, so I kept on using it. Eight bottles brought back my lost health and strength, and I have not had a sick day in six months.  
**WINE OF CARDUI**  
Mrs. Finnegan had little hope of relief because she knew that every time she had those spells of menstrual suffering with attendant bearing down pains she was weaker. And every month the pain was growing more severe.  
But Mrs. Finnegan was cured by Wine of Cardui. She is now so well that there are few women who would not be glad to have the health she has. And any woman who has those dreaded bearing down pains can have the same relief.  
You can be free from menstrual irregularities if you take this pure vegetable wine. Why don't you take it when you see what it has done for others? Secure a bottle of Wine of Cardui today.  
Your druggist has \$1.00 bottles.
